---

o **Weekly Summary (Short summary about what you did this week)**
This week is for spring break, and most of group members were traveling out of town. We made little progress in this week. Everything is following the schedule, and we can guarantee that we can finish the project on time.

o **Past week accomplishments (please describe as what was done, by whom, when)**
-N/A

o **Pending issues (if applicable)**
- Starting to create the broadcasting function
- Connecting the database with UI to get the course information and content

o **Plan for coming week (please describe as what, who, when)**
- Xiayang and Xin Ying are in charge of the broadcasting function. They will start the broadcasting function in next week.
- Sam will work on writing the code to connect the database with UI in next week.

o **Summary of weekly advisor meeting (if applicable/optional)**
There was no meeting during this week.
